DESCRIPTION

Villa in North Sea 23.

Modern luxury villa for sale in Moraira.

The house has three floors with four bedrooms, four bathrooms, two toilets, an American kitchen open to the living-dining room and an infinity pool with a private garden.

The plants are distributed as follows:

Basement: In the basement there is a garage (01) that connects to a multipurpose room through a distributor. (02) This gives access to the pool facilities room (03) and the home facilities room (04). The multipurpose room is connected to an area enabled for a gym (10) with its own dressing room (11), in addition to this there is another small facilities room (07) and a large room enabled for laundry (08). On this floor there is also a cinema room (06) which is accessed through the multipurpose room.

Ground floor: On the ground floor is the main entrance to the house, as soon as you enter there is a hall (01) that connects with a distributor (05) that gives access to the two bedrooms located on the ground floor (06, 11) , the bedrooms have their own bathroom (07, 10) and a dressing room (09) or an area with built-in wardrobes. If we go inside the house we find an extremely spacious area that is an open area for the living room, kitchen and dining room (02), with a separate room that serves as a pantry (03).

From the area set up for the living room, kitchen and dining room you can go out to a large terrace with a porch (12) where the pool is located.

First floor: Going up the stairs or using the elevator we reach the first floor, where there is a hallway, the first area going up the stairs can also be used as an office (01, 02). These give access to the two bedrooms (04, 05) with their own bathroom (03, 06) and closet area that exist on this floor.

The two bedrooms have access to the large terrace on the first floor.

Location: Very privileged location near the coast, 1.2km from Portet beach and 1km from the commercial area and the center of Moraira.

Quality memories

STRUCTURE

- The structure will be built with reinforced concrete, according to the project.

CARPENTRY

- 4+4 and 6 safety glass with Cortizo brand air chamber.
